Privacy Policy

What information do we collect?

We collect information from you when you register and create your profile on our site. When registering and creating your profile on our site you may be asked to enter personal information.

What do we use your information for?

Any of the information we collect from you may be used to establish an account based on your business needs.

Your information, whether public or private, will not be sold, exchanged or transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested.

What do we use your information for?

We implement a variety of security measures to maintain the safety of your personal information when you enter, submit, or access your personal information.

We offer the use of a secure server. All supplied sensitive/credit information is transmitted via Secure Socket Layer (SSL) technology and then encrypted into our server only to be accessible by those authorized with special access rights to such systems, and are required to keep the information confidential.

Do we use cookies?

Cookies are small text files that are stored on your computer when you visit certain web pages. We use cookies on our site to:

- Keep track of login name and password
- Provide a session timeout
- Make it easier for you to navigate our site

Do we disclose any information to outside parties?

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. This does not include trusted third parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others rights, property, or safety.

Your Consent

By using our site, you consent to our website's privacy policy.

Changes to our Privacy Policy

If we decide to change our privacy policy, we will post those changes on this page.
